

**The Word of God<sup>1</sup>**  
(Translated by I.A.)

I, the Lord Jesus Christ, have come down in the Spirit among you and I have searched the lives of many of you. I have searched all your work, spiritually and earthly. I have searched your busy time and free time. I have searched your gained time and your lost time. I have searched all your Christian walk life. I tell you sons that many of you have wondered away from the Christian walk. Many of you do not feast anymore; many of you do not pray anymore; many of you do not go to the holy church; many of you do not confess to your confessor, your sins that you make every hour and minute and do not share the Body and Blood of our Lord in holiness and cleanness. Sons, sons, many of you work on Sundays and on holidays, not only in the factories and enterprises, but even in your houses and in your fields and your courtyards; you do all kinds of work. Many of you have become lazy and drones; many of you have become treacherous; many of you have become blasphemers; many of you have become drunkards and fornicators. Sons, many of you have become liars; many of you have become arrogant; many of you have become proud and boastful; many of you have become greedy; many of you have become lovers of foreign women; many of you have become lovers of money and wealth; many of you have become gamblers; many of you have become soccer players; many of you have become dancers; many of you have been after fortune tellers; many of you have turned into enemies and evil people; many of you have become unfaithful and rebellious; many of you have become slumberous; many of you have spoiled the holy law.

Sons, why do I tell your deeds? Here, you need to know why I, the Lord, searching your life and the places where you walk and the things that you do, I have spoken to you in an earthly way and spiritually of the busy time and of the free time. I have told you about the gained time and about the free time. Sons, sons, be careful of those searched by the Lord and written here. Know that I have told by this word that many of you, in your free time, are sleeping deeply without prayer. Many of you, in your free time, do not go to the little church and to the service, rather you go to the taverns, to drinking, you go to competitions and parties. I have found many of you on Sundays and on holiday days committing fornication. Instead of being at the service or in praying, you commit adultery.

I ask you, these, I do not tell you the names, but you need to know your sins: why are you no more Christians and have strayed from the Christian life and have gone to the pagan life? Sons, why you do not feast anymore? Why, sons, do you not go to the little church? Why do you not confess your sins and why you do not partake of the holy sacraments? Why, sons, you do not observe the Sundays and holidays in holiness and cleanness? Why, sons, do you work on Sundays and holidays? Why sons, have you become sluggish and lazy? Do you not work anything for your eternal life? Why sons, have you become rebellious, instead of going ahead on My way? You keep on backing away? Why, sons, have you become treacherous, and betrayed your life to Satan? Now Satan laughs at your life and at your faith through your sins. Why sons, do I, the Lord, hear when the world blasphemes your spiritual and faithful life? Why sons, do you commit adultery with other women, abandoning your women? Why, sons, do you go to taverns using alcoholic drinks until you get drunk as the ones in the world? Why sons, do you play cards? Why sons, do you go to the competitions and to the ball? Why sons, do you go to the saloons with

satanic dances? Yes, if it were a holy dance as in the time of David, and I, the Lord, would come to your dance and round dance, but now everything is impure; it is nothing holy and pure.

Sons, sons, you have been lead astray. What will you answer for your going astray? Why sons, do you commit gross and evil sins? Why sons, you do not pray so that Satan may flee from you?

Sons, sons, what have you got involved in? What trouble will come on your head! Sons, flee away from the Satan's way! Sons, sons flee away from the Satan's places! Flee away from the Satan's work! Run, run, for the death is catching you! Get out of the taverns, get out quickly! Come back to Me until you do not perish!

Sons, why do you no longer pray to the good God? For the prayer made with much faith gets you out of the wandering away. The prayer turns to repentance the sinful one. Prayer is the latch of sin. Sons, make prayer in faith to the too good God, for prayer is the wing of faith and the fruit of hope. Sons, make prayer with much love, for prayer is the mirror of the Christian life and of love. Sons, sons, I tell you to make prayer, for prayer is the seal of the Christian life. Sons, prayer is a wellspring of holiness and of Christian living together with the Lord, Jesus Christ. Sons, make prayer, for prayer is the shield which protects you from the stings of the devil's temptations. Sons, the prayer is the key with what you open the gates of heaven.

You sons who do not make prayer, I, the Lord, have come down you to urge you to make prayer. Sons, do not spend any longer your days without prayer, for through prayer the grace of God comes upon you. Sons, make prayer, for the prayer lifts you up from the downfall and encourages you to good deeds and to a happy life. Sons, make prayer, for the prayer comforts and protects you from troubles and sorrows. The prayer, sons, raises you in all the travelling of Christian life. Sons, make prayer, for praying turns you to repentance and strengthens the weak one in the faith. Prayer, sons, humbles you and fulfills you and tames you, those full of pride and envy. Sons, make prayer, for prayer takes you to a good and pleasant life to God and urges you to do good deeds and feast. Sons, make prayer, for the prayer protects you from troubles, sorrows and sicknesses and from sudden death and prisons. Sons, the prayer brings to you peace and love into your homes. The prayer gives you health and strength. Sons, make prayer, for the prayer gives you the daily bread to feed on it. Sons, sons, may prayer and ask from Me by praying the things you are in need of, for it is only by prayer that you will receive. Sons, sons, take heed to My words that I tell you here! Sons, do not give up praying. Sons, let no one of you be stopped from praying, no matter how hard and wicked the time is. All of you have the right to enjoy the fruits of prayer. I, the Lord, Jesus Christ, neither here, nor in the time past, have I prevented or prevent you from praying. That one, you need to know and get to know him, for he is the Antichrist. Only the Antichrist, since he appeared on earth, has led astray from Me, the faithful man, filling the minds of the believers with evil lies, leading them astray from faith to unbelief. Sons, flee away from the Antichrist and from all his demons. (See the selection topic „[The antichrist and the apocalyptic beast](#)<sup>2</sup>”, red. note<sup>3</sup>.)

<sup>3</sup> Redactor (editor) note

You sons, the ones to whom I have discovered all My good ways, why have you wondered away? Do you not know that you are not allowed to? Sons, why have you wondered away? Have I not discovered to you My mysteries? Is it not with you that I have spent whole years? Sons, what harm stands to you in the world, working with the world's deeds! Sons, how bad it comes to you in the worldly clothes! Sons, how bad it is for you to behave in a worldly manner, you, who bore a spiritual image! Sons, how bad it is for you in taverns, you who took part at the holy assemblies of God! Sons, how bad it is for you singing worldly songs, you, who sang spiritual songs! Sons, how bad it is for you partying and committing adultery with foreign women, from the world, you, who have a vow with God at your marriage that you made! Sons, how bad it is for you being into the gambling parlors, you, who were in My little church! Sons, how bad it is for you playing cards and taking part in competitions, you, who had My blessing! Sons, how bad it is for you pinching women's breasts and cheeks, you, who had My holy law! Sons, how bad it is for you talking with your mouth jokes and words of blasphemy and disgrace, you, who told Me "*Lord, Lord!*" Sons, how bad it is for you sitting at a table with chosen food and drinks, you, who have as a guide the Law of God and the laws of the holy apostles!

Sons, sons, why have you wandered away from Me, the Lord? Are you not afraid, sons, of My wrath which is about to come on the head of the sinners? You sons, who have wondered away from Me, because of the futile deeds of the sinners, you have to know that you will perish at the same time with the sinners. Sons, have you heard and seen what heavy plagues God has poured out over the sinners? For thousands of sinners perished and those left have not yet repented. God has sent heavy and long rains upon the sinners, making the waters coming out of the riverbeds in order to drown them, so that no one may be left alive. God has loosed earthquakes and high winds, killing thousands and thousands of sinners, and those that remained alive have not repented yet and have not turned their hearts to God, and I tell you that none will escape alive. God has ordained heavy wars making the sinners to kill each other with weapons of war and a great multitude of sinners have perished, and those left alive have not yet repented of their deeds, but God will destroy them all. The Lord has sent, sons, over the sinners, pestilence, cholera, and some other nine kinds of illnesses to destroy them all from the earth. And also, God has sent great famine over the sinners and nine other plagues are still to come over the whole world, which is destined to death because of the sins which it does. Sons, I tell you once again: you have to know that all sinners will perish each one according to his own sin.

Sons, sons, wake up, for the death is coming over to you as well, you who have wondered away from Me, the Lord, and you will perish too, together with the sinners, for your sins will not be forgiven, as the selling out and betrayal of Judas is not forgiven, because you have mocked the holy blessing, with which God blessed you ancestor Abraham, for the Lord wanted to fulfill with you his miracles which are written to be fulfilled at the end of this age. And if you return from your swerving from Me, you will be partakers to these great miracles, which follow to be fulfilled by the Lord. But I tell you: put away from you the sleep and laziness. Give up on alcoholic drinks. Give up your lusts after other women. Give up from you chosen food from canteens, (*Restaurants, r.n.*) with which I, the Lord, see that you feed on. **My miracles are done through feasting and praying and holy faith and through all kinds of good deeds.** Sons, turned back from laziness and slumber and from all sorts of bad things which you are doing without fear of God. Sons, make prayers by faith in God so that you may lose all the passions with which the Antichrist has endowed you, as serious and heavy sins master over you, for if death is not catching you into these deeds, it will go ill with you, as the Lord will not spare you, for I, the Lord, have come among you as in the former time in Israel. And now, as then, many from the blessed ones by God have swerved from the right way. So it is now, as then; no one believes, no one listens to Me.

Sons, you have to pray with power and faith, seeking all the blessings arisen from through prayer. Sons, pray for one another to heal yourselves of many kinds of evil and serious illnesses in which you have fell down. Sons, pray for your peace and for the whole people. Sons, pray for your liberty. Sons, pray for the freedom of your faith and for the freedom of your religion. (*Strongly restricted under the communist regime, r.n.*) Amen. Pray, sons, as the priests pray too for the peace to the world. Sons, be useful to Me and not to the world. Sons, be very careful and very attentive to My advice, which I write here through Verginica. Sons, you have to pray, as for this thing the good God has been preparing you. But you do not want to pray. Sons, I urge you: do not stay without prayer, for it is great sin.

Sons, you have dealt all your life time with jobs and many other earthly works. Sons, you have been busy with your jobs in the time of prayer without thinking to leave free place for prayer too. Sons, work the good. Do not stay in the taverns; do not sit at counsel with the world. Sons, do not go on the same way with the world, rather sanctify yourselves, as the death is catching you, with the world in your way. Sons, do not lust after the foreign women to Me, the Lord. Leave the foreign women, for those women are deceitful and lead you into the eternal fire. (*See selection topic: "[The apocalyptic fire](#)"<sup>4</sup>, r.n.*)

Sons, know that I, the Lord, have searched you and I have found many of you in the most serious sins, but I tell you not to deny saying that it is not true, as you will be bitterly tormented. Sons, I, the Lord, have tired My vessel, (*Virginia, through whom He speaks, r.n.*) for your sins.

Sons, turn back to Me, the Lord, for I announce you that next year at this time, we might not be as we are now, rather we will be changed. Sons, be fully aware and do not say that I did not let you know. Sons, come together and seek counseling for correction so that you may not perish with the sinful ones, for this is what is written, that all the sinners will perish and they will be no more. Sons, make peace with God by confessing your sins and by partaking with the holy Sacraments and forsake the ways of perdition. Run, sons, from the way of Satan!

Sons, I did not write your names here, of the ones fallen into heavy sins, but rather, you alone know yourselves that are guilty you of whom, I, the Lord speak very angrily.

Sons, I, the Lord, Jesus Christ close this pain to you, who have swerved from me, the Lord, and ask that this letter to be read by my people, so that all the guilty may hear their sins and each one to know them well. And to Daniel I tell, to keep this writing with much care, to a confessing in front of the future Judge, for there have been and passed many judges, but as This Judge there has never been one ever since, The One Who will show Himself in from of all humankind.

Peace to you, for the correction on the good and eternal way of God! Amen, amen, amen.

... Sons, once you decided to ask for a gift from the Lord, renew your request as often as possible in front of the Lord. Present yourselves with great humility, with much faith and with much friendship and without any kind of wickedness in your heart. And if, praying for a while, you have not yet received what you have been asking for, do not be discouraged, for the Lord is

testing you, for as many times, sons, you consider some things that are not good and ask them from God as good ones, to be good for you to damage or to death. Then God, to your benefit, is not giving you. Or, it is better to tell you that many times the Lord is testing you and is expecting from you steadfastness in prayer. Sons, I tell you: be steadfast in prayer, renewing your prayers many times a day, for as the doctor gives a medicine many times a day, he gives the same medicine, with abstaining from food and drink, so do I, the Heavenly Doctor, give to renew your prayer, abstaining yourselves from any evil deed, as the good God does not neglect your prayer, and will never forget them. **The Lord Jesus Christ is giving you all that you ask from Him, at the best time.** Perhaps you, sons, have asked from Me a thing, and I, the Lord, have given you another, for better use. Sons, persevere in praying all the time, for the perseverance in praying is very useful.

... My sons, I, the Lord, tell you that it is not allowed to speak in the holy church, not even in whispering. Do not make noise, do not throw papers or candles on the floor and do not walk in front of the altar during the Liturgy.

... I say to you, My sons, I ask you in tears: do you not miss Me? Do you not miss My teachings which I gave you once? Do you not miss My fragrances that I was pouring over your candles and over to you? Do you not want to see the eternal happiness? Do you not want to live a life without death? Do you not miss it anymore? Do you no longer want another life than this where you are now? Oh, how the world has cheated you with its noisy and full of pleasures life! How they have robbed your tastes from My face! How you have clung to the worldly pleasures! You do not care about spiritual things as I have been telling you all this time, in each work.

... Sons, you have to know from Me that the lack of humility is such a big gap in your heart! And that gap is because of many evils. Sons, why are you so mischievous and always ready for revenge, impatient and stubborn? Why do you receive the opinions and advice of others, who are outside of Me, the Lord? Oh, how easy it comes to you to judge others, while you do not suffer a reprimand; what about a judgment!

... On the journey of you live, sons, many times you have been powerless. I, the Lord, have given you strength, and in time, you have not even thought of Me, son, all the more troubling you to ask power from Me; because many of you say that the strength which you catch through drinks and sports which you are accustomed to! Sons, sons, I am present in all your journeys. You have been many times to the sick; I, the Lord, have given you health. You have been many times saddened and upset; I, the Lord, have given you comfort and joy. And you, at that time, did not even think of Me. How many things have you not lost, sons, and I, the Lord, have given them to you on sight and you have never thought that the Lord gave them to you. Oh, My sons, when do you come to be grateful and satisfied towards all the gifts given from the good God? Do you not know, sons, that your holy saints were receiving only through prayer the gifts from God, whether food or clothing or footwear, even the health and peace and joy? Everything they needed, they received only through prayer, but you are more to foreign towards Me, the Lord, and towards your parents. You do not want to know about them and about Me, the Lord. You think as the world does, but I tell you: get out of the world with everything: with word and thought, with behavior and food and drink and hearing. Get out of the world with everything, for the world will perish in an instant. You will look and see it no more and neither will you see the place where it dwelt, rather everything will turn into a large desert. Sons, how many times you are told to get out of the world! Sons, do you not hear what I, the Lord, tell you? Sons, do you not believe what I tell you? Sons, sons, if beat you, you would listen to Me out of fear, but I do not beat you, rather I tell you: sons, listen to Me, do not be late any longer. **I, the Lord, am go-**

**ing to wage a great war on earth against the world and not a seed from this world will remain.**

Sons, I conclude. I know that it will not frighten you so that you may come back to Me. Pity on you sons, that you have the opportunity to be happy but you do not want! Pity on My work which has been done for you! Pity on the grace and My words that have run over to you, for you despised and trampled them under your feet as nothings.

I tell you, sons, the faithful and obedient ones: remain in the peace of the Lord. May the Lord be always with you! Amen. Peace from God, the Father! Amen, amen, amen.

I am coming soon. Amen.
